

Kelly Design

Description:

Kelly Design is a family run business with years of experience in transforming peoples homes with our made to measure kitchens, wardrobes and furniture. Our range of finishes include primed, painted, veneered or hardwood. We believe that the individuality of every person, their different tastes and needs should be expressed through our work for them.

Should you wish to discuss your project with one of our designers please call for an appointment.

We welcome you to visit our showrooms to view our quality and commitment.
